Were Here When You Need Us

US-based customer support team available to help you get your questions answered so you can successfully manage your business.

Access for Employees and Contractors

They receive logins to view paystubs, benefits, W2s and 1099s.

We Keep You Compliant

Get free access to tools and resources to help you stay compliant with labor laws.

We Got You Covered

Ask us about 401K, Health Insurance, and Workers Compensation.

*If you receive a notice from the IRS, or any other tax agency, based on a filing that we made, we'll work with the agency to help resolve the issue on your behalf. And, if we're at fault, we'll pay all the associated penalties and fines.

4

Reasons our Payroll Service Can Benefit You as an Employer

1

Put your energy where its important

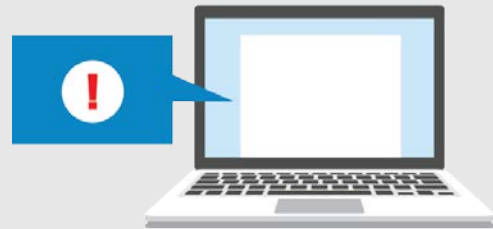

We provide a flexible payroll service where you can process online, in minutes, anywhere and anytime. We want you to spend your energy on what's most important—running your business.

2

Stay organized and up to date

As your provider we help you keep track of employees incentives and benefits. Receive alerts on important information and reminders when your next payroll is approaching.

3

Get your time back

We will calculate, pay and file your payroll and payroll taxes in minutes. Backed by 100% guarantee*. We also handle all your payroll reporting so you don't have to.

4

Stay compliant with laws and regulation

Staying compliant is just one more thing on the list of things you need to do as a business owner. Not keeping up with compliance can create hefty fines and legal issues. When you choose us we provide you with access to free HR tools and resources to help you stay in compliance with labor laws.

*If you receive a notice from the IRS, or any other tax agency, based on a filing that we made, we'll work with the agency to help resolve the issue on your behalf. And, if we're at fault, we'll pay all the associated penalties and fines.

Why Make Payroll Processing Harder Than It Has To Be?

More Time For You. Less Time on Payroll Taxes.

Payroll is a necessity for any business—you have to pay your employees, make the right tax deductions and then get everything paid and filed on time. This is a big task for small business owners and it isn't how you should be spending your time.

Calculate, file and pay federal, state and local payroll taxes online—with tax filing guaranteed.*

Fast, two-day standard processing time means you have less money in flux.

Set it up and let it run automatically. You can easily make changes when you need to.

Award winning service is available via phone, chat or email. Plus, in-product info gets you answers when you need them.

Pricing options starting from **\$120.00** a month for unlimited processing and includes:

- ✓ Direct Deposit
- ✓ New Hire Reporting
- ✓ Employee Portal
- ✓ HR Tools
- ✓ Labor Law Posters
- ✓ And More

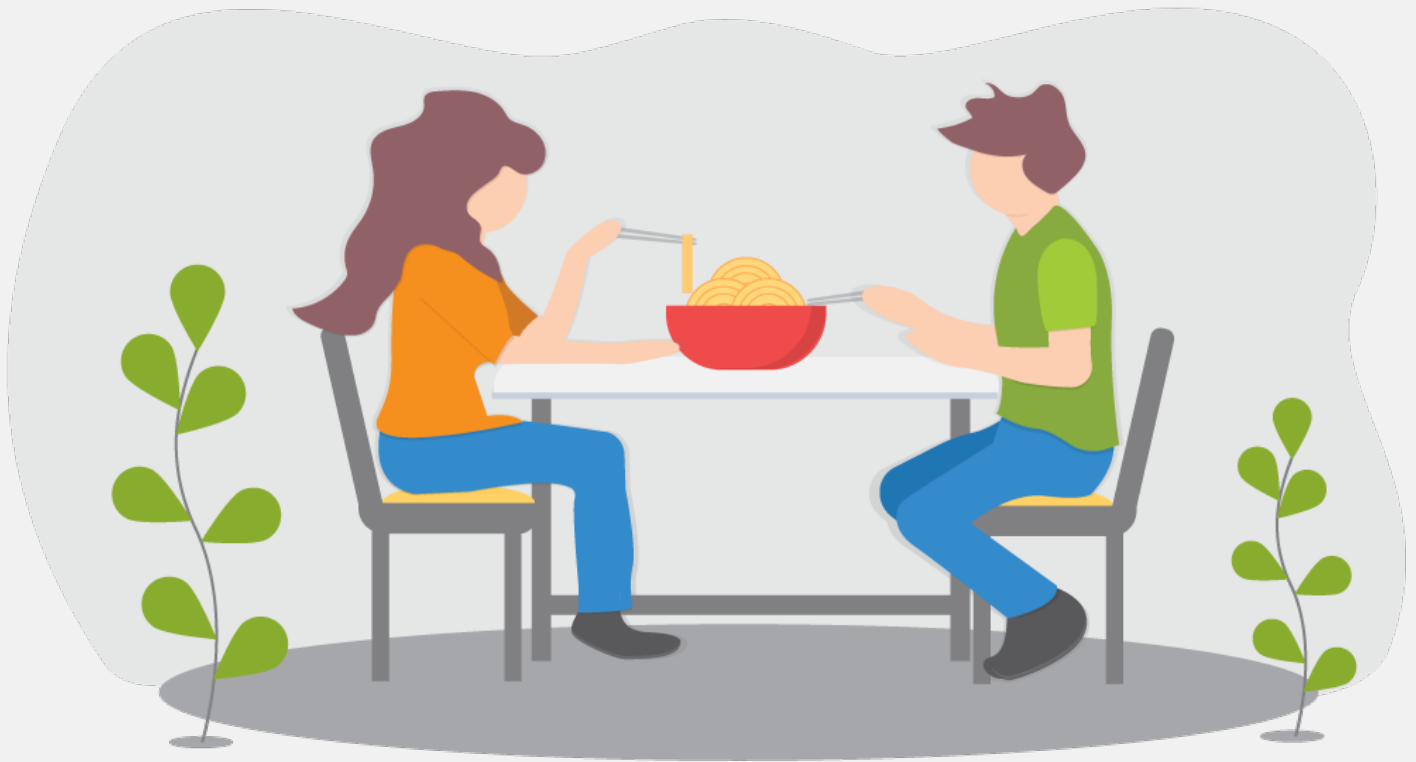

Take a quick tour and see how easy your payroll can be with **RunPayroll**.

Aohama Accountancy

* If you receive a notice from the IRS, or any other tax agency, based on a filing that RunPayroll made for your organization, we'll work with the agency to help resolve the issue on your behalf. And, if we're at fault, we'll pay all the associated penalties and fines.

Disclaimer: The Tax Filing guarantee is based upon receiving accurate and timely information from client, and timely payment for any taxes due. All services are subject to the terms and conditions of the service agreement between the parties and client is solely liable for penalties, fines or interest due if client is at fault, wholly or in part, for the penalty, fine or interest due.

Restaurant Payroll

The Restaurant industry is fast-paced and complex, and it can be easy to get tripped up (both literally and figuratively)! One place you don't want to make mistakes is with your employees' payroll! As a restaurant owner, you know that managing payroll taxes and regulations can be particularly tricky and getting it wrong can be costly.

If you're looking for a little help with your restaurant payroll, look no further. Aohama Accountancy can help you:

- Pay your employees accurately and on time
- Stay in compliance with tax regulations
- File and pay your local, state and federal tax filings
- Manage fringe benefits and deductions
- And more!

Our payroll solution offers restaurant owners the following features:

- ✓ **Minimum Wage Alerts:** be notified when employee wages and/or tips do not reach the minimum wage requirements, providing you with helpful tips-to-minimum verification to help keep you in compliance.
- ✓ **FICA Tip Credit Report:** calculates and tracks just how much you are entitled to claim on your annual business taxes for this credit, paving the way for significant tax savings.
- ✓ **Tip Sign-Off Report:** provides written proof of employees' tips received and declared, which can help keep you in compliance with government regulations.
- ✓ **Makeup Tips:** Ensure that your employees' compensation doesn't dip below the minimum wage. This is added to the sum of the employees' base wage pay, tips, and commission to match the federal minimum wage rate.
- ✓ **Flexible Payment Options:** Pay employees conveniently with multiple payment options - print checks or use our free direct deposit!
- ✓ **Multiple Tip Options:** : Whether you need to track tips for tax purposes or issuing additional pay, there are multiple options for tracking your employees' tips!

Give us a call today and we'll show you that restaurant payroll can be a piece of cake!
